

## **REMARKS**

Claims 1 and 3-7 were examined and reported in the Office Action. Claim 1 is amended. Claims 1 and 3-7 remain.

Applicant requests reconsideration of the application in view of the following remarks.

### **I. In the Drawings**

It is asserted in the Office Action that the drawings are objected to for not showing every feature specified in the claims. Applicant submits new Figs. 14A-B showing the sockets that were originally described in the specification. No new matter is added. Approval is respectfully requested.

### **II. Claim Objections**

It is asserted in the Office Action that claim 1 is objected to for informalities. Applicant has amended claim 1 to overcome the claim objections.

Accordingly, withdrawal of the informal objection for claim 1 is respectfully requested.

### **III. Allowable Subject Matter**

Applicant notes with appreciation the Examiner's assertion that claims 1 and 3-7 are allowed.

**CONCLUSION**

In view of the foregoing, it is submitted that claims 1, 3-7 patentably define the subject invention over the cited references of record, and are in condition for allowance and such action is earnestly solicited at the earliest possible date. If the Examiner believes a telephone conference would be useful in moving the case forward, he is encouraged to contact the undersigned at (310) 207-3800.

If necessary, the Commissioner is hereby authorized in this, concurrent and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2666 for any additional fees required under 37 C.F.R. §§1.16 or 1.17, particularly, extension of time fees.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR, & ZAFMAN LLP
